2018 Pack Offerings

Pair nicely with cubes, packs, and other manufacturer bundles

PREMIUM ADJUVANT PACK

Whether it's providing even spread of coverage, maximizing deposition, or preventing excess foam, WinField United's® revolutionary proprietary line of adjuvants has you covered. Our Premium Adjuvant Pack offers our most popular adjuvants at a special Early Order discounted price. Droplex® is a drift adjuvant that has been shown to increase fungicide and insecticide performance. Droplex® Xtra combines the drift power of Droplex® with a proprietary spreader/sticker to maximize weed control with herbicides. Both work to minimize drift and optimize droplet accuracy. Use ProTank® to keep spray tanks clean and Fast Break® to knock down any extra foam during the filling process.

GREENS PROGRAM PACK

Get the most out of a seasonal greens program with this pack that provides the optimal formulation for the best possible plant health, as well as our proprietary Max-In® technology.

Every 14 Days:

- Gravity® 18-00-06 at 7 oz per 1000
- Gravity® 38 Special at 2 oz per 1000
- Gravity® 05-00-00 at 5 oz per 1000
- Max-In® Calcium at 3 oz per 1000
- Gravity® 00-00-30 at 3 oz per 1000

WETTING AGENT PACK

This wetting agent pack of Aquiflo™ Plus and Aquicare™ treats between 3-4 acres for a full golf season based on the below applications. It provides the optimal combination for improving water flow and enhancing water retention, all while maintaining firm surfaces.

- April:** Aquiflo™ Plus at 2 oz
- August:** Aquicare™ at 4 oz
- May:** Aquiflo™ Plus at 2 oz + Aquicare at 2 oz
- September:** Aquiflo™ Plus at 2 oz + Aquicare™ at 3 oz
- June:** Aquiflo™ Plus at 2 oz + Aquicare at 4 oz
- October:** Aquiflo™ Plus at 2 oz + Aquicare™ at 2 oz
- July:** Aquicare™ at 5 oz

WETTING AGENT SINGLE APP PACK

Take control of your greens, tees and fairways with our unique wetting agent system that reduces watering requirements and maintains turf quality. Our Aquicare™ wetting agent resists excessive water retention at the soil surface, while maintaining optimal moisture levels in the root zone, ensuring a firm, healthy playing surface. Our newest product, Aquisync™ utilizes our proprietary retention and penetrant technologies to increase water movement through thatch and heavier soils, while reducing localized dry spots and watering requirements. One pack covers a single application to 18 holes of greens, tees and fairways.

PLANT / SEED STARTER PACK

Stimulate root growth, seed germination, ornamental transplants and sod establishment with our Gravity® L AMP liquid fertilizer and Gravity® SL PGS combination. Gravity® L AMP is a proprietary blend of fertilizers meant to stimulate plant growth, specifically root growth and establishment. Gravity® SL PGS is a blend of three plant hormones, Cytokinin, IBA and Gibberillic acid, which trigger plant root growth and breaking plant dormancy.
